**Project Information**

**Job Name**

**Fixture Type** 64 Watt LED Die Cast Wall Light

**Catalog Number** WLD64LED

**Approved by**

Made in the USA of US and imported parts. Meets Buy American requirements within the ARRA.

---

**SPECIFICATIONS:**

### WLD64LED 64 Watt LED Wall Light

#### Construction:
Rugged Traditional aluminum die cast housing provides proven environmental protection for LED modules. Traditional fixture designs provide a familiar look and standard installation requirements. Retaining this look allows the ability to upgrade fixtures gradually, while retaining the same overall fixture appearance throughout a facility.

#### Glare Free:
Positioning of the LED modules within the housing result in light directed to desired locations and eliminates offensive light.

#### Lens:
Lens assembly is designed to provide high efficiency and to target the light where needed to satisfy outdoor lighting requirements. Positioning of the LEDs (along with Patent Pending thermal management system) results in the light being directed to desired locations eliminating glare and offensive light.

#### Thermal Management:
Atlas’ Patent Pending exclusive Thermal Stacking Technology System™ features a unique internal design that allows for lower operating temperatures which results in a brighter, whiter light, more stable color and longer LED and driver life.

#### Listings:
Luminaire is certified to UL/cUL Standards for Wet Locations DesignLights Consortium qualified luminaire, eligible for rebates from DLC member utilities.

#### AC Input:
120/208/240/277 V

#### Driver:
Constant current, Class 2, 120-277 VAC, 50-60 Hz
High Efficiency – min. 84%
Dimming: 0-10V

#### LEDs:
3000K, 4000K, 4500K, 5000K CCT
Epoxy Guard™ protective conformal coated boards
Atlas LEDs provide higher lumen output, greater energy efficiency and more reliable fixture performance. They are tested and binned at 700mA which is the actual operating current used in Atlas LED luminaires, giving a better representation of actual performance.

#### Testing:
Atlas LED luminaires have been tested by an independent laboratory in accordance with IESNA LM-79 & LM-80

#### Warranty:
Five-year limited warranty

#### Installation:
Fixture retains the same knock-out sizes and positions as previous models, reducing wiring costs.

#### Weight:
15.0 lbs.

#### Photo Control:
For factory installed 120V button photo control add suffix PC to part number.

#### Capital Controls:
For factory installed Bluetooth Microwave Motion Control (including PC) add BTM to part number.

#### Emergency Back-up:
For factory installed Emergency Back-Up add suffix EB to part number.

Wall Light

WLD64LED 64 Watt LED Wall Light

ORDERING FORMAT

- **WLD**
  - PRODUCT SERIES
  - WLD = Large Classic Wall Light

- **64LED**
  - WATTAGE
  - 64LED = 64 System Watts

- **COLOR TEMP.**
  - Blank = 4500K
  - 3K = 3000K
  - 4K = 4000K
  - 5K = 5000K

- **VOLTAGE**
  - Blank = 120-277V
  - 4 = 480V

- **OPTIONS**
  - EB = Emergency Battery Back-Up

- **CONTROLS**
  - Blank = Dimming (0-10V)
  - PC = 120V Photocontrol
  - PM = 208-277V Photocontrol
  - BTM = Bluetooth Microwave
