

Classic Series Small Wall Light

PROJECT INFORMATION

JOB NAME	
FIXTURE TYPE	Small Wall Light
CATALOG NUMBER	
APPROVED BY	

SPECIFICATIONS

Construction:

Rugged Traditional aluminum die cast housing provides proven environmental protection for LED modules. Traditional fixture designs provide a familiar look and standard installation requirements. Retaining this look allows the ability to upgrade fixtures gradually, while retaining the same overall fixture appearance throughout a facility. The smooth housing prevents debris build up and maximizes airflow over housing.

Glare Free:

Positioning of the LED modules within the housing result in light directed to desired locations and eliminates offensive light.

Lens:

Lens assembly is designed to provide high efficiency and to target the light where needed to satisfy outdoor lighting requirements.

Positioning of the LEDs (along with Patent Pending thermal management system) results in the light being directed to desired locations eliminating glare and offensive light.

Thermal Management:

Atlas' Patent Pending exclusive Thermal Management System™ features a unique internal design that allows for lower operating temperatures which results in a brighter, whiter light, more stable color and longer LED (200,000+ hrs¹) and driver life.

Listings:

Luminaire is certified to UL/cUL Standards for Wet Locations

AC Input: 120/208/240/277V

Driver:

Constant current, Class 2, 120-277 VAC, 50-60 Hz
 High Efficiency – min. 84%
 Off-State Power: 0 Watts
 Dimming: 0-10V

LEDs:

Available in 3000K, 4000K, 4500K and 5000K CCT
 Atlas LEDs provide higher lumen output, greater energy efficiency and more reliable fixture performance.

Reduced Glare:

Positioning of the LED modules within the housing result in light directed to desired locations and reduces offensive light.

Testing:

Atlas LED luminaires have been tested by an independent laboratory in accordance with IESNA LM-79 & LM-80.

Warranty: Five-year limited warranty

Installation:

Fixture retains the same knock-out sizes and positions as previous models, reducing wiring costs.

Photo Control: For factory installed 120V button photo control add suffix PC to part number.

DIMENSIONS

Weight: 6.6 lbs.

Rebates and Incentives are available in many areas.
 Contact an Atlas Representative for more information.

¹LED Life Span Based Upon LM-70 Test Results

*The majority of Atlas Lighting Products are assembled in USA facilities by an American Workforce utilizing both Domestic and Foreign components. Meets Buy American requirements within the ARRA.
