

Model: **SPT-GS** **Guard Shield for Sports Light**

IMPORTANT: READ BEFORE REMOVING FIXTURE FROM CARTON. RETAIN FOR FUTURE REFERENCE

SAFETY: This fixture must be wired in accordance with the NATIONAL ELECTRICAL CODE and applicable local codes and ordinances. A person familiar with the construction and operation of the product and the hazards involved must install this product. A qualified licensed electrician should complete all work. Proper grounding is required for safety.

WARNING: Make certain power is OFF before installing or maintaining fixture.

RISK OF INJURY: Fixture may become damaged and/or unstable if not installed properly.

1. Align the visor to be able to install a screw on the topside of the fixture and then install the second topside screw. (figure 1)

2. On either side, install the screw closest to the top and then install the screw at the bottom. (figure 2)

3. Repeat step 2 on the opposite side. (figure 3)
