Atlas
American Lighting

Origin Series
Mini Wall Light

PROJECT INFORMATION

JOB NAME	
FIXTURE TYPE	Mini Wall Light
CATALOG NUMBER	ORMWSEL2-4LPC
APPROVED BY	

SPECIFICATIONS

Construction:
Traditional polycarbonate housing provides proven environmental protection for LED modules. Traditional fixture designs provide a familiar look and standard installation requirements. Retaining this look allows the ability to upgrade fixtures gradually, while retaining the same overall fixture appearance throughout a facility.

Glare Free:
Positioning of the LED modules within the housing result in light directed to desired locations and eliminates offensive light.

Lens:
Lens assembly is designed to provide high efficiency and to target the light where needed to satisfy outdoor lighting requirements.

Thermal Management:
Atlas wall lights are designed as a complete system to optimize LED life and light output. The lower temperatures result in long LED life (50,000+ hrs[1]) and component life and also allows for higher light output.

Listings:
Luminaire is certified to UL/cUL Standards for Wet Locations

DesignLights Consortium qualified luminaire, eligible for rebates from DLC member utilities.

AC Input: 120/208/240/277V

Driver:
Constant current, Class 2, 120-277 VAC, 50-60 Hz
High Efficiency – min. 84%
Off-State Power: 0 Watts
Dimming: 0-10V

LEDs:
3000K, 4000K, 5000K CCT Selectable

Testing:
Atlas LED luminaires have been tested by an independent laboratory in accordance with IESNA LM-79 & LM-80.

**Warranty:** Five-year limited warranty

Installation:
Fixture retains the same knock-out sizes and positions as previous models, reducing wiring costs.

Photo Control: 120-277V photo control included.
